

World War I Exhibition

Do you have any photographs, diaries, artefacts or stories about the 1914-18 War?

They could have belonged to those who served, died or lived through the period - either at home or overseas.

The Friends of Hesselst Church would like to hear from anyone with memorabilia they would be willing to exhibit.

No date has been set, but if there is enough interest and material, it would be a fitting way to mark the anniversary of WWI.

Please contact the Friends of Hesselst Church Chairman, Michael Poulter on 01359 270335 or email mdpoulter@btinternet.com

The Friends of Hesselst Church is a registered charity which has raised thousands of pounds for repairs to the fabric of the building. If you value the history and

architecture of this medieval gem, please become a member and support the fund-raising. The annual fee is £10, or whatever you would like to give.
